

For this year's Ninth Annual SCRABBLE® Blitz Tournament, we are offering players two options: **Competitive Play** and **Just For Fun Play!** Competitive players will be assigned a Judge/Scorekeeper and scores will qualify for First and Second Place Prizes! Just For Fun players will keep their own score (honor system) and scores will *not* be eligible for the major Tournament Prize packages. It's your choice!

REGISTRATION FORM

We welcome both teams and individual players to register. Teams will consist of two players. Individuals who do not have a partner will be paired with another individual player to make a team. Individual players fill out 'Player 1' information only. Remember: teams who arrive in 'team uniform' get 50 extra points in Round One!
